NEW EXPERIENCES IN THE FRENCH ALPS THIS WINTER

OPENING CHRISTMAS 2019: AMAYA RESIDENCE **** IN LES SAISIES (French Alps) INSPIRED BY THE GREAT WHITE NORTH

From the Latin 'Amatus', which means 'beloved', the Amaya Residence is aptly named! Located in the heart of Beaufortain (Haute-Savoie), the most striking area in France, the new residence has an out-of-this-world décor and is the perfect place for a relaxing getaway set in a Northern Canadian atmosphere! Escape and focus on your wellbeing in the Spa Montagnes du Monde®, which includes a 1,000m² wellness centre. Welcome to the MGM Hôtels & Résidences new high-end hideaway.

MGM is known for its attention to detail. This is clear when you see the work that has gone into the 44 apartments (2 to 5-room duplexes ranging from 50m² to 120m²) and the living spaces in the new Amaya Residence. These spaces have an elegant and cosy atmosphere with shimmering shades and high-quality materials with a strong wood-inspired look. Each space is unique, highlighting MGM's key core values: individuality and authenticity.

"We were inspired by the red, yellow and orange fabrics used in Canadian shirts. The iconography that can be seen in the iconic Canadian animals (reindeer, polar bears, buffalo, etc.), the flora presented in the herbarium in the lobby, snow sports, the faces of Inuit children and Canadian hospitality also plays an important role and acts a huge source of inspiration."

Jean-Louis Mayer, Interior Designer at the Amaya Residence
